Product Description

Salice Air hinges are an innovative new hinge for contemporary cabinetry and case goods. Their extremely slim profile is compact yet highly functional. They are fitted to the top and bottom panel of the cabinet providing for truly concealed hinge experience. With a need for only 2 hinges on even tall, heavy or thick doors, you can simplify your designs.

For most people today, the kitchen is the main entertaining area. While functionality is necessary, beauty has become just as important. The multi-award-winning Air hinge by Salice blends a sleek, compact design with exceptional technological advances. Fully adjustable in three directions and featuring soft-closing and push-open functions, Air is an extremely versatile and elegant product in the Salice lineup. Available in both a nickel-plated finish and the impressive titanium finish, the right Air hinge is available for your project.
