- All necessary mounting hardware

Technical Documents

KV Pocket Door

Product Features

KV 8091 and 8071 series pocket doors are perfectly suited to various applications including entertainment centres, home theatres, breakfast bars, coffee stations, and home offices. Designed to accommodate any traditional or modern space requiring a pocket door system, they allow for designer-specified door fronts to conceal cabinetry when closed and pivot approximately 105 degrees using Salice hinges. This feature enables the front to slide smoothly back into the cabinet's pocket, ensuring unobstructed access to the contents within.

8091 System

- Maximum door dimensions 72" (H) x 26" (W)
- Lengths: 12", 13", 14", 15", 16", 18", 20", 22", 24", 26", 28", 30"
- Load capacity: 75lbs (34kg)

8071 System

- Maximum door dimensions 42" (H) x 24" (W)
- Lengths: 12", 14", 16", 18", 20", 22", 24"
- Load capacity: 30lbs (13.6kg)

Recommended: 105 degree Salice Hinge (sold separately)

What's In the Box

- Slides (1 pair)
- Screws
