

SALICE SA6555

European Soft-Close Undermount Slide

SALICE

Experience Salice's full-extension soft-close undermount slide that fixes to the drawer bottom by front-mounting clip. Smove soft-close is fully integrated into the runner, which smoothly decelerates the closing action of the drawer. Mounting clip sold separately but the 6-way adjustable clip (SA750.010) provides for adjustments of +2.5mm height, ± 1.5 mm side, and ± 2 mm depth. 2-way height adjustable clip SA710-610 also available.

PRODUCT FEATURES

- Made in Italy
- Dynamic load capacity: 34 kg (75 lbs)
- Static load capacity: 45 kg (100 lbs)
- Smove decelerated soft closing
- Safety system that prevents drawers from turning over
- Choice of 2-way and 6-way adjustable mounting clips
- Drawer stays parallel with the cabinet side during opening
