

# Soft-Close Lift Stay for Aluminum Doors

- ✓ Available Left and Right Handed
- ✓ Provides 90° upward opening
- ✓ Steel and zinc alloy, nickel plated
- ✓ Can adjust tension on closing action with adjustment screw
- ✓ We recommend two per door for standard applications

## Installation and Specifications

To adjust for variable door widths, swap the ordering of mounting bracket and washers. See chart above/below.

Door Width	Left	Middle	Right
16 mm	B - Bracket	A - Thin	C - Thick
18 mm	A - Thin	B - Bracket	C - Thick
20 mm	C - Thick	B - Bracket	A - Thin

Part Num.	Door Type	Side	Case
7928-600AL-L	Aluminum	Left	10
7928-600AL-R	Aluminum	Right	10
