

SYPHON SLIM

Technical
Specifications &
Ordering Guide

The new Syphon Slim is a single piece plumbing cutout designed specifically for slim/straight wall drawer systems such as our Legacy Prima and Legacy Endura lines, as well as the King Slide SIMLEAD drawer systems.

Syphon Slim allows you to contour the P-trap on a drawer bottom and give your designer the option to create a top/centre drawer in bathroom vanities.

PRODUCT FEATURES

- Designed to match straight wall drawer side
- Provides more room inside the drawer
- Allows more design flexibility for designers
- Matches 2 industry standard drawer wall colours - White & Anthracite Grey
- Available in 2 heights - 40mm & 67mm

Syphon Slim - Height 40mm
