

M-Series Tip Out Tray

SERIES

INTRODUCING M-Series Tip Out Tray

The M-Series tip out tray is a high-density melamine resin storage unit for undersink false drawer fronts.

Use the tip out tray in combination with the M-Series tip out tray hinge to create a handy storage space for cloths, sponges, and other small cleaning products.

Product Features:

- Made of highly durable melamine resin
- Heat and fire resistant
- Dishwasher safe
- Limited Lifetime Warranty
- Depth: 2-³/₄"
- Height: 3-¹³/₁₆"
