

INTRODUCING FlexBin

The FlexBin is a single, universal set of C-channels designed to be installed inside a drawer to accommodate one of four different size Vibo bins. FlexBin is ideal for waste, recycling, and compost, but can be used for any number of storage applications.

Product Features:

- Perfect for a retrofit
- Easy to install, can be done on-site
- All hardware included
- Bins sold separately
- Includes full scale positioning template
